

TVOJ SIGURAN KORAK U IT SVET!

Ko smo mi?

Del Systems je domaća IT kompanija koja se bavi razvojem softvera. Specijalizovani smo u oblastima telekomunikacija i projektovanja, razvoja i rešavanja problema na desktop i mobilnim aplikacijama visoke kompleksnosti.

Postojimo već 19 godina, a ono što nas izdvaja od ostalih IT kompanija iz okruženja je što smo produkciona kompanija sa sopstvenim proizvodima na IT tržištu.

Šta nudimo?

Del Systems Akademija je letnja škola programiranja u trajanju od **3 meseca** (1. jul - 1. oktobar).

Obučavaće vas profesionalni tim mentora, čija znanja pokrivaju različite programske jezike i baze podataka.

Teorijski pristup uz pratkičan rad na projektima je naš cilj kako bismo pomogli praktikantima da što brže napreduju.

Nakon uspešno završene obuke nudimo mogućnost zaposlenja.

Šta je poželjno da posedujete?

- Dobro poznavanje engleskog jezika
- Tačnost i preciznost u svom radu
- Kreativnost i spremnost za preuzimanje inicijative
- Konstantnu potrebu za usavršavanjem
- Želju za sticanjem znanja i iskustva
