CONFERENCE VENUE

TIO6 Symposium will be held in Čačak at Technical Faculty Čačak, St. Save Street 65, from 3rd to 5th June, 2011. Within the symposium, on Sunday 5th June at 10,00h, Assembly of Balkan Association of IT Education (BASTIO) will be held and all important matters in the jurisdiction of the Association (details on the symposium website) will be discussed. A roundtable titled "Current Issues in IT education in Serbia" will be held on 4th June at 18 pm in Hall 232.

REGISTRATION FEE

Registration fee amounts to 4000 dinars, and for participants from abroad it amounts to 50 euros. Paid registration cost provides participation in the Symposium, free Symposium proceedings and CD that include all the papers presented in the Symposium. Registration fee can be paid in dinars on the bank account of Technical Faculty Čačak, no. 840-875666-84, reference number 21 02246 13, with a sign: for TIO6 Symposium. Furthermore, elementary and secondary school teachers can participate in the Symposium, without publishing the paper, but in the form of professional development. Registration fee in this case is 2.000 dinars and it provides a certificate of professional training, lasting 16 hours and Proceedings on CD. Exceptionally, participants coming from abroad can pay the fee at the symposium.

PAPER INFORMATION

Several introductory statements will be issued in the thematic session.

Themes of the papers should be compatible with the thematic fields of the meeting. The size of the papers should be from four to six pages. If necessary, the number of pages can be larger. In that case the registration fee will be higher due to the increased printing costs. The papers will be reviewed by the reviewers appointed by the Scientific Committee.

Paper Application Pre-Submission should include the title of the paper, name and title of the author, short abstract (not longer than 150 words) and key words (5 words maximum).

The paper will be accepted in TIO6 Symposium under the following conditions:

- ☞ If the paper is submitted before the expected deadline
- ☞ If the paper is written in compliance with the given instruction.
- ☞ If the paper is positively reviewed
- ☞ If the registration fee is paid.

Further notice will provide the information about the final work programme of the Symposium with titles of the papers and names of the authors of Symposium participants, as well as the time of paper presentation.

You can take over the Form of the paper at: http://www.tfc.kg.ac.rs/tio6/Template_TIO6.dot

The paper can be written in English, Serbian or Russian languages.

If the paper is written in English, the title and abstract should be submitted in English as well.

If the paper is written in English or Russian, the title and abstract should be submitted in Serbian as well.

The papers in Symposium will be printed in Symposium proceedings, and they will be available on CD, as well as at: <http://www.tfc.kg.ac.rs/tio6>

The papers included in the programme will be presented orally. The time of the paper presentation is limited to ten minutes. Presentations of the papers can be prepared on PC computer in Power Point software.
